Node.js

CAREER OBJECTIVE

I'm a junior Frontend developer, with a basic knowledge in Backend. I ended a bootcamp to change my career to the software developing, I learned to work with teams, daily stand ups, demo your projects, and work with teams or mob programming. I want to learn more programming languages and advance in this sector.

WORK EXPERIENCE

Store Manager

COMERCIAL PIRENE SL

Aug 2014 - Aug 2022

- Seller store, Customer support, appliance installer and sales management
- Girona, Catalonia, Spain
